**DECLARATION OF ADRIAN RISKIN**

1  
2  
3 1. My name is Adrian Riskin. I have personal knowledge of the  
4 facts contained in this declaration, and if called to testify, I could and would testify  
5 competently as to the truth of the facts in this declaration.

6 2. I run an online blog called Michaelkohlhaas.org to increase  
7 government transparency and practice civic activism using the California Public  
8 Records Act (CPRA). I also teach other activists how to use the CPRA.

9 3. I have submitted a number of requests to LA Sanitation, the  
10 LAPD, the City Attorneys' Office and various city council districts related to  
11 homelessness, and specifically, homeless encampments. I routinely request email  
12 correspondence from the City of Los Angeles, including on topics related to  
13 homelessness and encampments.

14 4. I submit the requests through the City's Nextrequest portal, when  
15 that is available. Only some departments within the City use Nextrequest, including  
16 the LAPD, LA Sanitation, and some city council offices

17 5. On June 3, 2019, I submitted a request to the Los Angeles  
18 Homeless Services Authority, for all emails received by three LAHSA staff from a  
19 number of LAPD officers and an LA Sanitation staff member, Bladimier Campos. I  
20 received a production of emails on November 19, 2019. Among the emails was an  
21 email from Diana Gonzales ([dinana.gonzalez@lacity.org](mailto:dinana.gonzalez@lacity.org)) to a large number of City  
22 employees, LAPD employees, and others dated Friday, May 17, 2019. Attached to  
23 the email was a daily schedule for encampment cleanups for Wednesday, May 22,  
24 2019. Attached were also a number of pages of "Online Encampment  
25 Authorizations," including one for Lomita and McCoy in Council District 15. I have  
26 received many copies of these documents in response to CPRAs. Attached as Exhibit  
27 A is a true and correct copy of the email and related attachments.

28 6. On December 11, 2019, I submitted a request to LA Sanitation for  
"all 2019 Tonnage reports from 2019." I submitted the request on December 11, 2019

1 via Nextrequest. I received an initial production on December 17, 2019 which the  
2 City indicated was all documents responsive to my request. I clarified the request and  
3 on December 24, 2019, I received the production of 271 files, which were roughly one  
4 report per council file per month for 2019. A true and correct copy of exemplars from  
5 of the "tonnage reports" the City produced on December 11, 2019 are attached as  
6 Exhibit B.

7 7. On December 12, 2019, I submitted a request via Nextrequest to  
8 LA Sanitation for excel spreadsheets in the possession of Leon Ho, who I understand  
9 provides administrative support to LA Sanitation related to homeless encampments.  
10 On January 23, 2020, I received responsive documents. Among the documents I  
11 received was a document entitled "authorizations.csv." A true and correct copy of a  
12 PDF of the first 25 rows of the spreadsheet is attached as Exhibit C.

13 8. On May 22, 2020, I sent a request to LA Sanitation asking for  
14 "whichever CSG staff liase with Council Offices regarding CARE/CARE+ sweep  
15 scheduling, would like emails between each of them and their assigned council offices  
16 from March, April, and May 2020." I also specified the format I was requesting the  
17 documents. CSG stands for Community Services Group, and I understand it is the  
18 group that works with City Council districts to schedule encampment cleanups.

19 9. On July 15, 2020, I received the production of emails from all  
20 fifteen of the council files.

21 I declare under penalty of perjury that the foregoing is true and correct.

22 Executed on March 16, 2021 in Los Angeles, California
